SPEAKING OF
SEWING MACHINES
REMINDS US

To remind you that we have a Sewing Machine in which we place so much confidence that we will send it to you on trial free for a week and if not satisfactory you may return it at our expense.

We make this offer because we know our goods. Our Machine costs a trifle more wholesale and sells for a trifle more retail than any other Machine in the world, but it is worth it. Listen: It makes five stitches to the revolution while others make but three and one half. In other words you do what is three days' work on the old style in two days with the "Standard". If you are tired or busy that is worth while. Paste this in your bonnet.

The "Standard" has both chain and lock stitch. The "Standard" gives a written guarantee for five years. It does every thing that can be done on a Sewing Machine, what more do you want? Sold on the installment plan at Eastern prices, \$10 discount for cash. For rent by week or month.
